HELPFUL TIPS –

- *We suggest that you take a class organized by CCR&R so you know that you are getting what you need and it is automatically reported to the Gateways Registry*
- *Be sure that you are taking a pediatric CPR and First Aid class (if you aren't sure, give us a call)*
- *If you will be asking for reimbursement and you take a class that is not offered by CCR&R, hold on to your receipt to show that you paid for the class.*
